yourself too,
and save!

New Dundee Pottery and Stained Glass is proud to introduce an exciting new pottery dish with endless possibilities.

An improvement on the metal Beer Can Chicken Roaster, the Chicken Chair allows you to use whatever liquid you have on hand, from wine and herbs to lemonade! The deep roasting dish catches drippings, keeping the bird moist.

And there's no need to freeze outside beside the barbeque... the Chicken Chair allows you to roast your bird in the oven!

At \$42 apiece, or \$38 each if you buy two or more, and available in natural tones of brown, green, and blue, these unique roasters won't last... so call 519.696.2484 now to reserve your Chicken Chair today!

Chairs are available for purchase at the St. Jacob's market in the Peddlers village Thursdays and Saturdays, and in our gift shop at 181 Front Street in New Dundee.
